

123 Magic

Behaviour Management Programme

In the Autumn Term of 2018/19 May Maung (CAMHS Primary Mental Health Clinician) will be running a behaviour management programme for parents called **123 Magic**.

1-2-3 Magic is simple, but not always easy! The easy part is the basic structure of the program. The hard part has to do with the fact that the first step in disciplining kids is to discipline yourself.

The programme will be based on a three step process:

Step 1: Controlling Obnoxious (Stop) Behaviour

Step 2: Encouraging Good (Start) Behaviour

Step 3: Strengthening Your Relationship with Your Child

If you would like to find out more information please attend one of the parent coffee mornings on 25th June 10.00-11.00 at Melrose School.
